

LANSDOWNE ROAD
 FINE ART DRAWINGS
 DETAILS & PRICES

The Artist's Proof is a small group of prints set aside from the edition. From the original drawings, printing plates are made and from these plates a short run of proofs are produced. Once approved by the Artist these proofs are signed, titled and stamped with the Artist's seal as an Artist's Proofs.

These plates are then used for the Limited Editions to be printed, titled, signed, sealed and numbered.

Once the editions have been completed and signed, the printing plates are destroyed.
